

ACE: Dreamweaver CS6

Adobe Training Services provides this exam guide to help prepare partners, customers, and consultants who are actively seeking accreditation as Adobe Certified Experts (ACE). This guide, while designed to describe the exam in detail and provide as much information as possible, is not meant to be the sole means of exam preparation. Adobe Training Services offers courses that provide in-depth training on the exam content. Hands-on experience with the Adobe product suite is also a critical element in preparing to pass any Adobe certification exam.

ACE: Dreamweaver CS6 exam overview

The ACE: Dreamweaver CS6 exam audience are individuals who have a minimum of three years' experience as a web developer. You should have experience with architecting a site, designing page layouts, coding pages, and formatting page elements with CSS. You should also be familiar with web standards and be able to render pages in modern web browsers. A knowledge of Adobe Fireworks and Adobe Photoshop, as well as IDEs for hand coding, is also suggested.

Exam description

The exam has two parts:

- 60 multiple-choice questions, covering a range of topics listed below
- A short survey that we use to gather information about your product experience

Please note that the survey must be completed to qualify for earning the certification. The certification exam has a time limit of 65 minutes, and includes a timer to mark the remaining time.

Exam scoring

The certification consists of achieving the minimum passing score, which is 75%, on a multiple choice test. After completing the test, candidates will be immediately provided with the official score for the exam.

Scheduling exams

The ACE: Dreamweaver CS6 exam is delivered through an independent testing , Pearson VUE. First time candidates can view the step-by-step online scheduling guide here: http://www.pearsonvue.com/reg_guide/.

Returning candidates can register for exams here: <http://www.pearsonvue.com/adobe/>. Note that you will be prompted to login before you may register for exams.
